Subject: Re: CAD Meeting?

Tom - thanks for checking in. I've been meaning to talk to you about this but had a rough week elder-care wise. We plan to use our next monthly community outreach meeting on Jan 28th to focus on the upcoming lower harbor CAD cell proposal. We'll have a poster session to start the meeting and we'd like to have a guest speaker. Would you be interested? Or someone else from the modeling team? We won't have a lot of time for the presentation, probably around 20-25 minutes or so, plus Q&A. It'll be in New Bedford at the public library at 7pm. Let me know what you think. Thanks - Dave

Dave,

Mark Otis mentioned you were thinking about having a meeting on CADs sometime in January and that you might want me to be involved. True? If so, when, etc.?
